REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Chestnut Oak Middle School's administrative staff and faculty continue to strive to make Chestnut Oaks a great learning community and a family-oriented school. We are blessed with a beautiful school facility, competent and caring teachers, hard-working and discovery-learning students, and supportive parents. These qualities make Chestnut Oaks Middle School a special learning community for our students.

One major accomplishment for the 2008-2009 school year was being recognized as one of 14 schools to receive the Exemplar Award for Positive Behavior Interventions and Supports (PBIS) Initiative from the SC State Department of Education. PBIS is a school-wide system of support that includes proactive strategies for defining, teaching, and supporting appropriate student behaviors to create positive school environments.

Several programs implemented by the faculty and staff members that were effective will be continued for the upcoming school year. Our school's Character Education committee continued to recognize students who displayed positive character traits. The Character Education breakfasts were held quarterly. Teachers submitted names of students who had shown the character trait for the quarter. Parents and friends of the honorees were invited to attend. The Teacher Advancement Program (TAP) is another program we implemented. TAP encourages teachers to grow and allows them to prosper by offering new models for professional entry and training, with new compensation and career advancement possibilities. It honors the essence while changing the structure of the teaching profession.

Students had opportunities to receive incentives for a variety of reasons during the 08-09 school year. Some were honored and recognized for wearing their academic attire, having perfect attendance, displaying good behavior, and excelling academically in subject areas. Students earned trips to Charleston, SC, Atlanta, GA, and to Carowinds.

We are also very proud of our students for their involvement in service learning projects. Last year, we participated in the Salvation Army's food drive, Pennies for Patients, and the March of Dimes Walk America. In all, our students raised and collected more than \$5,000.00 for charity projects.

We look forward to an even better year during the 09-10 school term as we continue to SOAR!
